

Web registration in Ladok for students

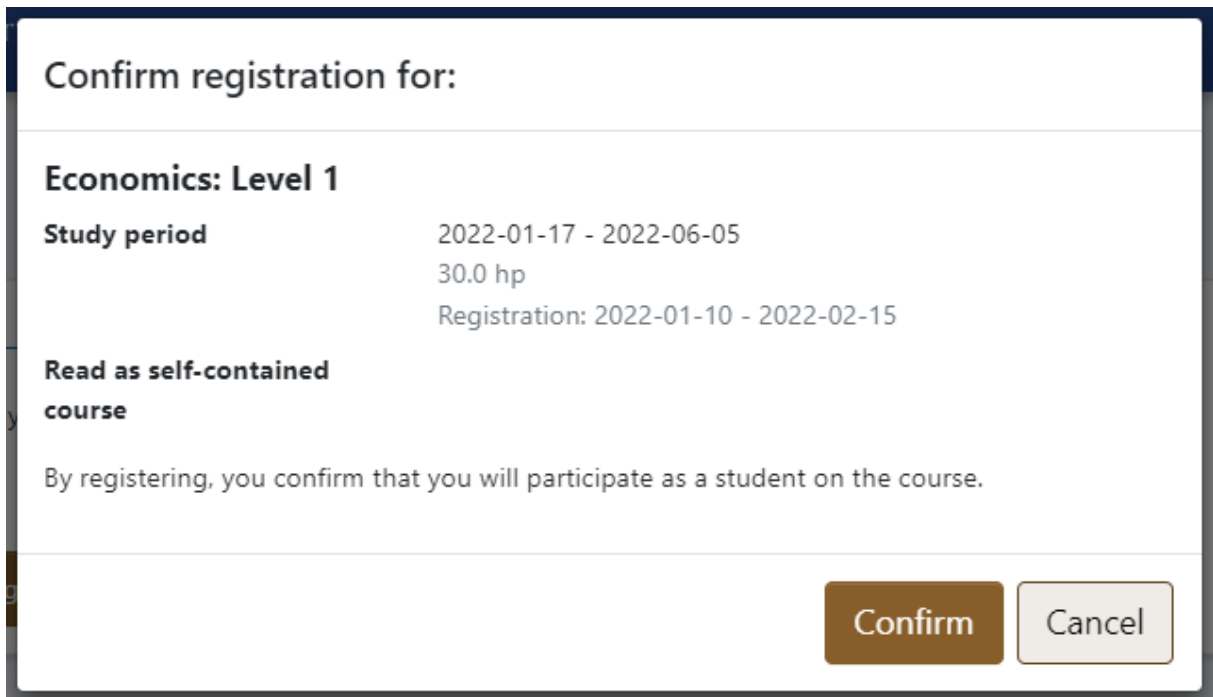

Log in to student.ladok.se.

On the home page you see the courses you are admitted to. The course below is open for registration and you can see how many days are left until registration closes. Your status on this course is "Not registered". Click on Register to register on the course.

The screenshot shows the top navigation bar of the Ladok website with the Lund University logo and name. Below this is the 'Home page' header, followed by a 'Register' section. A course card for 'Economics: Level 1 - NEKA12' is displayed, showing 30.0 hp and that registration closes in 4 days. A 'Not registered' status is shown in a yellow box. A 'Show more' button with a dropdown arrow is present, and a large brown 'Register' button is at the bottom of the card.

Information regarding the course and the meaning of registration is shown. Click on **Confirm**.

The dialog box is titled 'Confirm registration for:'. It lists the course 'Economics: Level 1' with the following details: Study period 2022-01-17 - 2022-06-05, 30.0 hp, and Registration: 2022-01-10 - 2022-02-15. It also states 'Read as self-contained course'. A confirmation message reads: 'By registering, you confirm that you will participate as a student on the course.' At the bottom right, there are two buttons: a brown 'Confirm' button and a grey 'Cancel' button.

The course is now shown under Current courses and your status on the course is “Registered”.
